TRAY WASHER

Williames

Leading by Innovation

FIXED POSITION JET SYSTEM

WILLIAMES TRAY WASHER is suitable to clean a range of tray types including hard plastic trays, expanded polystyrene trays and other tray types. The Williames Tray Washer uses a low volume of water at high pressure to ensure maximum cleaning power with minimum water usage.

FEATURES

- Thoroughly cleans the trays
- Up to 600 trays cleaned per hour
- Stainless steel sprockets and chain
- Stainless steel body
- Cleans the top and bottom of the tray simultaneously
- Fixed position jet system
- Fingertip variable speed drive
- Rugged construction means high reliability and high productivity saving time and money

OPTIONS

- Foot pedal or lever operated
- Roller table
- Tray de-stacker for non nesting trays
- Top and Side Brushes
- Hot or Cold water pressure units
